**Re: Alexander Pladott v. Larry Ewers, et al.
Civil Action No. 05-10356-RWZ**

Dear Judge Zobel:

Per our hearing in the above-referenced case on June 16, I am afraid I must report that we have been unsuccessful in arriving at an agreed form of judgment for filing in the related case, *Ewers v. Heron, et al.*, Civil Action No. 04-10024-RWZ. Perhaps the enclosed Motion for Sanctions will explain in part the difficulties we have had in negotiating a common sense agreement.

I will shortly file a form of judgment in the related case which will, I hope, both address your concerns as to the correspondence between the claims in the Complaint and the relief requested in the judgment, and provide adequate protection for the movants/intervenors consistent with your comments in open court.

Sincerely,

Alan M. Spiro
